

JSTS - November 2017 Meeting

November 13, 2017

Federici's Freehold

Preceding the business meeting James Bonanno, the transportation manager of Monmouth County, discussed updating of the Bike Resource Locator App. It is designed to mark the locations of bicycle racks, lanes and paths, shops and maintenance stations to assist Monmouth County staff to create a map of Monmouth County's cycling resources.

Business meeting

17 members in attendance, 3 officers

Treasurer's reports for October & November were reviewed but not approved due to discrepancies. To be reviewed & put to membership for approval in January.

Membership

2017 - 364 members - 263 single, 44 family

2018 - 24 members - 20 single, 4 family

Family membership procedure is effective with 2018 memberships.

2010 - 2014 - historic data excel rec's was received from Joe. The membership coordinator will continue with the updates so that the club has historic data.
